FUNERAL THIS MORNING

The funeral of Mr. Basil Anderson Dunn, of Lexington, whose death was noted in Thursday's paper, was held from the St. Patrick's Catholic church

morning at 9 o'clock. Interment in the Washington cemetery. The body was brought here yesterday morning from Lexington and taken direct to the home of his aunt, Mrs. John Murray, on East Second street.

The fire department was called out yesterday about 1 o'clock when a defective fuse set fire to the roof of a house belonging to Mr. James Crane, on Sixth street. The fire was extinguished with slight damage.

Mrs. Ben Fleming of Lee street is in receipt of a card from her brother, Sergeant Robert Yazell, who is stationed at Ft. Oglethorpe, Ga., that he is improving slowly from his operation for peritonitis which he under-

went at the base hospital, Fort Oglethorpe, Ga., three weeks ago.

Mr. W. L. Fox of Chicago, Ill., was here yesterday buying horses for the government.

APPEAL MADE

To Boost Liberty Loan By Mrs. Clarence Lebus and Mrs. Desha Breckenridge at First Presbyterian Church Last Evening.

Mrs. Clarence Lebus and Mrs. Desha Breckenridge, both of Lexington, two of Kentucky's most gifted women speakers, addressed a large audience at the First Presbyterian Church last night on behalf of the third Liberty Loan. The meeting was under the auspices of the Women's Liberty Loan Committee.

The meeting was presided over by Mrs. Sudduth Calhoun with her usual grace and dignity.

Following an invocation by Rev. W. B. Campbell, pastor of the First M. E. Church, South, County Attorney W. H. Rees made a short but very interesting talk concerning the work the women are doing and the purpose of the meeting.

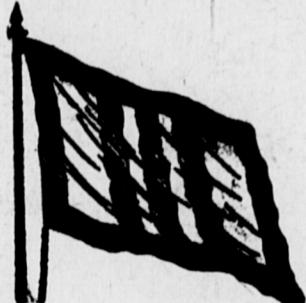

Mrs. Lebus, the first speaker of the evening, was introduced in a few well chosen words by Mrs. Calhoun. Her audience was greatly interested in her address and plea for the purchase of Thrift Stamps, War Savings Stamps and Liberty Bonds.

A most pleasing feature of the evening was a duet sung by Mrs. H. C. Barnes and Mrs. Wallace Rees.

The address of Mrs. Breckenridge on behalf of the third Liberty Loan was most forcefully delivered and carried direct appeal to those present.

The meeting closed with the singing of "The Star Spangled Banner" led by Dr. John Barbour and the choir.

BRITISH STAND AT BAY

"With Our Backs to Wall, Every Position Must Be Held to the Last Man", Haig Tells Troops.

London, April 12—Field Marshal Sir Douglas Haig, in a special order of the day, addressed to "all ranks of the British army in France and Flanders," says:

"Three weeks ago today the enemy began his terrific attacks against us on a fifty-mile front. His objects are to separate us from the French, to take the Channel ports and to destroy the British army. In spite of throwing already one hundred and six divisions into the battle and enduring the most reckless sacrifice of human life, he has yet made little progress toward his goals. We owe this to the determined fighting and self-sacrifice of our troops. Words fail me to express the admiration which I feel for the splendid resistance offered by all ranks of our army under the most trying circumstances. Many amongst us now are tired. To those I would say that Victory will belong to the side which holds out the longest. The French army is moving rapidly and in great force to our support. There is no other course open to us but to fight it out. Every position must be held to the last man. There must be no retirement. Without backs to the wall and believing in the justice of our cause, each one of us must fight to the end. The safety of our homes and the freedom of mankind depend upon the conduct of each of us at this critical moment."

Berlin, via London, April 12—"Our victorious troops," says the official report from headquarters this evening, "are progressing through the wide Lys plain, between Armentieres and Merville."

French Are Moving to Aid British London, April 12—Field Marshal Haig's report from headquarters in France tonight, says:

"Strong pressure has been maintained by the enemy all day south and southwest of Bailleul. Constant attacks in great force were made in this area and are continuing."

"Our troops have been pushed back slowly in continuous fighting to positions in the neighborhood of the Bailleul railway, where they are heavily engaged with the enemy."

"Sharp fighting occurred also on other parts of the battle front north of La Bresse canal, and the enemy made slight progress between the Lawe and Clarence rivers."

"At other points, our positions have been maintained. On the remainder of the British front the position is unchanged."

"More than 110 German divisions so far have been engaged since the morning of March 21, and more than 40 of these have been thrown into the battle two or three times."

Numerous Prisoners Captured By Yankees

Paris, April 12—German forces launched heavy attacks this morning against the French in the Aifangard-En-Santerre sector. The fighting continued throughout the day. Several attacks ended in failure, but finally fresh German troops penetrated Hargard, although the western section of the village was regained by the French, according to the war office announcement tonight.

American and French troops fighting together, repelled a German attack in the Apremont forest.

The Americans captured numerous prisoners.

German Airmen Again Raid Allied Capitals

Paris, April 12—German airplanes attempted a raid on the Paris district tonight. They dropped a few bombs but it is not known whether there are any casualties.

London, April 12—A German aerial raid was made on the east coast of England this evening. One or two of the raiders succeeded in penetrating farther inland.

"The raid is still in progress."

U. S. MARINES

Land at Vladivostok and Russians View Situation More Calmly—No Official Notification—But Action Was Not Unexpected by Washington Authorities.

According to a dispatch from Harbin, dated April 5, American marines have landed in Vladivostok with the British and Japanese, and their presence is expected to have a reassuring effect on Russian feelings. Although no official notification has been received in Washington, the step was not unexpected. Petrograd is said to have been taken by the British.

Deceased was born in Fleming county on October 27, 1840. She was a daughter of the late Robert Humphreys, former high sheriff of Mason county and also a member of the Legislature. Her mother was before her marriage Miss Hattie Waters, a relative of the Hon. W. J. Bryan.

She was educated at the Washington High School and was a lady of much culture and refinement. She will be kindly remembered by many friends for her many Christian works and charitable disposition.

Besides her husband she is survived by two children, Mrs. George Bruce and Mr. Joseph W. Evans, both of Houston. She was an aunt of Mr. Clarence L. Wood and a cousin of Mr. R. G. Humphreys, of this city.

Burial will be made at Houston.

No Word Received of the Landing of the American Marines at Vladivostok

Washington, April 12—No word of the landing of American marines at Vladivostok to aid British and Japanese forces already there as told in press dispatches, has reached the State or Navy Departments early to day.

The addition of American forces is expected to reassure Russian government officials, who for a time after the Japanese landed appeared inclined to believe Japan planned an invasion of Siberia. It was believed this would emphasize that the action taken is purely of a local character.

Press dispatches from Moscow have said that Bolshevik officials were not so fearful as at first that the incident would lead to an advance in Siberia.

USE OF POTATOES

Instead of Flour as Much as Possible Is Urged By Food Administration.

Although Potato Week is almost over the Food Administration hopes that people will realize that the substitution of potatoes for bread is a great help to the allied cause and will be urged to use potatoes instead of bread as much as possible. In this regard County Food Administrator W. D. Cochran yesterday issued the following statement:

Maysville, Ky., April 12, 1918. The following telegram was issued from Washington on April 10th:

"Washington, D. C., April 10. Sackett, Food Adm., Louisville, Ky.

That the food value of the present large available supply of potatoes may not be lost, and that it may be utilized to relieve the strain on our fast diminishing stock of wheat which is so much needed by our army and navy and the allies I hope you will do everything possible to promote the potato campaign we have recently asked you to launch in your State.

HERBERT HOOVER." The households in the county are urged to respond to this suggestion of Mr. Hoover, by increasing as much as possible the use of potatoes.

W. D. COCHRAN, Food Administrator of Mason County.

The towboat J. T. Hattfield was compelled to tie up at Pt. Pleasant for lack of labor. She has a tow of coal for Maysville and Aberdeen merchants, and there is no telling when she will get here with the fuel.

FIGHT EXPECTED ON THE NEW DRAFT PLAN

Washington, April 11—A fight over the administration's plan to base selective draft quotas on the number of men in class 1 rather than on population, as is done at present was imminent in the House today in the calling up of the Senate resolution providing for the change. Efforts to reach a unanimous agreement in the House Military Committee failed recently, and members decided to thresh out the differences on the floor. Representative Dent, of Alabama, chairman of the committee, and a majority of the members agreed to the administration's plan while a minority, led by Representative Shallenberger, of Nebraska, maintained that the quota should be based on the number of registrants in all classes, and also that credit should be given for draft eligibles who have enlisted. It is understood that Provost Marshal General Crowder does not object to the credit feature, but he has insisted that the quota should be based on the number of men in class 1.

WHAT RUSSIA PAID TO GET PRESENT "PEACE"

One-third of her total mileage of railways, amounting to 21,530 kilometers (13,350 miles.)

Seventy-three per cent. of the total iron production.

Eighty-nine per cent. of the total coal production.

Two hundred and sixty-eight sugar refineries, 918 textile factories, 574 breweries, 133 tobacco factories, 1,685 distilleries, 244 chemical factories, 615 paper mills, 1,073 machine factories.

"KINNEY MAC" OUT OF COMMISSION

SICK

When answering an alarm of fire on Sixth street yesterday afternoon the "Kinney Mack" fire truck broke down on the Bank street hill just above Fifth street. Luckily the machine was near the scene of the fire when the breakdown occurred. The "Uncle Bob", Maysville's other machine, came to the rescue and will be on duty at Company No. 1 until the "Kinney Mack" is repaired.

ARE YOUR KIDNEYS WELL?

Many Maysville People Know the Importance of Healthy Kidneys.

The kidneys filter the blood. They work night and day. Well kidneys remove impurities. Weak kidneys allow impurities to multiply.

No kidney ill should be neglected. There is possible danger in delay. If you have backache or urinary troubles,

If you are nervous, dizzy or worn out,

Begin treating your kidneys at once;

Use a proven kidney remedy. None endorsed like Doan's Kidney Pills.

Recommended by thousands.

Proved by Maysville testimony. W. H. Lynch, shoemaker, E. Third St., says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether. I finally used Doan's Kidney Pills and in a short time the action of my kidneys became normal. I kept on taking them and they completely relieved me." (State given January 5, 1912.)

ROUBLE NEVER RETURNED

On November 14, 1916, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. They have permanently cured me."

Mr. Lynch is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Lynch had—the remedy backed by home testimony. 60 cents at all stores. A Message from America's Roads

SECURE certainty of service in Tested Tires. They give sure service because it is proven service. Their endurance and mileage have been proved in the one way to assure mileage to the motorist, on the car on the road."

Hearken to that 1918 message, the roads of America send American motorists. Last year Goodrich, launching six Test Car Fleets in six widely different regions of our country, took Goodrich Tires, and with light and heavy cars maulled them over sand, gravel and rock roads of plains, deserts and mountains, to try out—

**GOODRICH

What those tires endured doubled Goodrich's pride in its tires. They fought America's roads through 4,178,744 tire miles. They conquered the roads of America in that phenomenal mileage, those BLACK SAFETY TREADS and SILVERTOWN CORDS.

Let American motorists listen to this message from America's roads. It means time and money saved them. They get lasting service with the tires that have won the title, "America's Tested Tires."
